Society of St. Vincent De Paul

“To Live the Gospel message by serving Christ in those in need with love, respect, justice and joy.”

Doesn’t it seem like the plights of the world are continuously bombarding us on a daily basis? Sometimes it can seem like the problems facing us are so big, that we become paralyzed, wanting to help, but unsure of how. Well, to quote Martha Kent, when a young Superman cried, “The world’s too big, mom” ----- “Then make it small”. The **St. Vincent De Paul Society** is an organization that offers help to those in our own communities; individuals we may interact with on a daily basis. They provide “material support in the form of non-perishable food, clothes, household items and furniture to individuals and families, whether in their homes, on the street, in shelters, in hospitals or in prison”. In Canada alone, the St. Vincent De Paul Society helps more than 350,000 people a year.

In honour of the official Year of St. Francis of Assisi, declared by Pope Leo XIV, our parish is looking to **re-instate our St. Vincent De Paul chapter**. We’re looking for parishioners who would be interested in learning more about how they could be a part of this ministry. There are SO many ways one could be involved with this internationally recognized organization. Your commitment level can vary, but EVERY MOMENT spent makes a difference. Next weekend, we will have a member of our congregation speak after Masses about the St. Vincent De Paul Society, and its potential comeback at St. Francis. We encourage you to prayerfully consider joining, and gathering more information. If you’d like more information about the organization, visit: <https://ssvp.ca>.

Choir Practice

Will resume on Thursday February 26th at 7:30 p.m. New members are always welcome.

Resurrectionist Vocation Minute

6th Sunday in Ordinary Time

Invited to reflect on God's wisdom this Sunday, Sirach reminds us that our capacity to choose right from wrong — our capacity to discern — comes from God's boundless wisdom. A call to the Congregation of the Resurrection — a calling first experience 190 years ago by spiritually, emotionally, and materially destitute young men — starts by recognizing God's unconditional love. By all counts, such boundless love characterizes God's boundless wisdom.
